*Some permit types are **limited based on space availability**. When a permit type sells out, parkers may request to be put on a waiting list. Students and staff without a current permit may purchase a temporary Time-Limited permit between July 1st and the sale date for their permit group.

LPR - **License Plates as your Permit!** Permits in this classification will become virtual this coming academic year.

No physical permit, decal or hangtag, will be issued if your permit is considered virtual. Any changes to your license plate must be updated as soon as possible to continue to park on campus.

All permits classifications, regardless of being a physical or virtual permit/decal, are enforced by LPR. Vehicle license plates must be visible from the parking lot drive lane.

Embrace the on-campus experience and use public transportation options or the **NEW** Residential Vehicle Storage option. Consider not bringing a vehicle to campus.
